  - Everyone aged five and over who has COVID-19 symptoms should go to [NHS Inform online](#) or call 0800 028 2816 to book a test. Under the system, people will need to isolate with their household as soon as they have symptoms and, if they have a positive test result, they will be asked to provide details of all recent close contacts to NHS contact tracers. Those people will be contacted and asked to isolate for 14 days.
