### **Standard**

Suitable for beginners and novice level golfers. Beginnagolf offers the opportunity to learn key basic skills and brush up on the fundamentals of golf to get ready for golfing this summer. Covering all aspects of the game, from full swing – putting, in a fun and relaxed environment with lots of games, drills and prizes!

### **Equipment**

If juniors have their own golf equipment then they are welcome to bring it along but the club can also provide clubs if players do not have their own yet. Please not bring golf trollies as they are very awkward to manoeuvre down the steps to the practice ground.

### **Facilities**

There are no changing rooms or toilet facilities at the practice ground so please make sure they are prepared and ready on arrival.
